*Dear Cheryl,*

*I would like to express my personal gratitude for the important contribution EagleForce Warrior Foundation gave to the celebration in honor of the Italian and American Wounded Soldiers held on November 22<sup>nd</sup> 2019 at our Embassy in Washington, DC.*

*Thanks to your outstanding and sound support we managed to organize, once again, a very successful event. With great pleasure, I have been receiving many accolades and praises on the success of the event. This has been possible thanks to Your support. In spite of many other concurrent events, the reception was attended by more than 190 guests, with members of the U.S. political, military and industrial communities, as well as more than 60 wounded soldiers belonging to the Italian and American Armed Forces.*

*I strongly believe the event, and the whole week in honor of our Veterans, was a great opportunity for our community to promote the positive image of Italy and the United States in its many roles played not only by our men and women in uniform, but also by each individual supporting the joint effort of our Armed Forces.*

*I hope the event was also a good occasion for EagleForce Warrior Foundation to promote furthermore its image and its role within the community supporting our Veterans. On this matter, I would appreciate if you could provide us with any feedback on how to better improve the event for the following editions and if there is anything you would deem useful for us to consider for next year Wounded Soldiers event.*

*Allow me to thank You for your continuous attention that enhances and strengthens the relationship between Your foundation and the Office of the Defense and Defense Cooperation Attaché here in the U.S.A..*

*Looking forward to having many more opportunities in the future.*
